A GOOD ANSWER FOR A VERY YOUNG CHILD

“By God’s design, a husband and a wife were meant to fit together in a special way. The seed deep inside the husband meets the egg deep inside the wife. That’s what God uses to start the baby.”

A GOOD ANSWER FOR AN OLDER CHILD

“By God’s design, a husband and a wife were meant to fit together in a special way. How they fit together is this...the husband places his penis inside the wife’s vagina (*say it really fast, ha!*), then the seed that’s deep inside the husband travels through and meets the egg that’s deep inside the wife. When they meet, that’s what God uses to start the baby.
